

# DOES YOUR BUSINESS PRODUCE **SHARPS** OR **BIOHAZARD** WASTE?

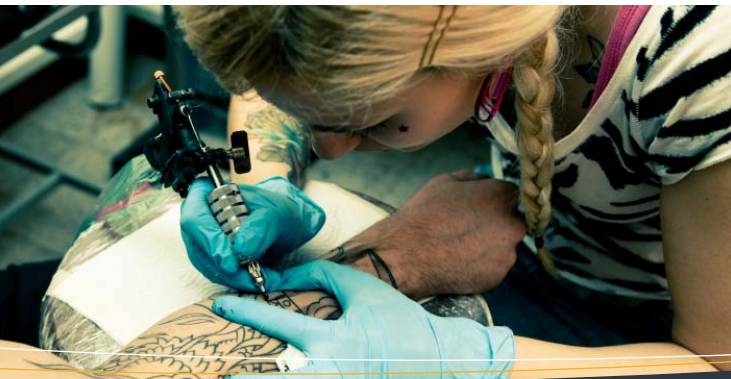

## WHAT WE OFFER

Are needles, syringes or lancets used as a part of your business? Waste Commission of Scott County provides small businesses with the tools & programs to properly dispose of sharps & biohazard waste.

## OUR GOAL

Our goal is to help businesses take what's toxic out of the trash through our easy, convenient & affordable Business Disposal for Sharps & Biohazard Waste Program.

## EASY, SAFE &

## AFFORDABLE DISPOSAL

Waste Commission of Scott County makes disposal of sharps & biohazard waste safe, convenient & affordable for businesses in just **3 easy steps**.

- 1) Pick up sharps & biohazard containers from our Hazardous Material Facility;
- 2) Place full sharps containers into the  
1) biohazard box for safe storage;
- 3) Call our Hazardous Material Facility to make an appointment for drop off.

All biohazard waste and sharps will be autoclaved/sterilized, compacted, and sent to a medical waste landfill to be disposed of properly.
